## What would you like to accomplish as a Graph Advocate?

1. I would love to evangelize the Graph protocol in such way that I will be encouraging developers and builders to use the technology and also evangelize web3 along the way.

## Why is web3 important to you?

2. With the role I am fulfilling in the Web3 space gave me a sense of purpose in a way that I could be able to contribute to the very technology behind Web3 and create infrastructure and solutions for people.

## What Advocate contribution are you most proud of?

3. Would love to share the very first AMA we had for the Graph Philippines community with our collaboration with the Web3 Philippines community.

## What are you most excited to learn more about in The Graph ecosystem?

4. Very excited to learn more about how I could be able to be part of the different roles in The Graph ecosystem such as Curator and Indexer.

## Which of your fellow Advocates would you like to shout out?

5. Would love to give a shout out to Don which is also an official graph advocates here in the Philippines really helping me out with things concerning community and educational initiatives for the Graph Philippines community.
